## “Together, as a Community, We Will Triumph”

The Puerto Rican Cultural Center of Chicago is promoting a campaign aimed at the residents of Paseo Boricua, through its website [www.prcc-chgo.org](http://www.prcc-chgo.org), in which business owners, students, teachers, leaders of our community, among others, send suggestions and solidarity in these times of turbulence and crisis.

The campaign, which is open to the entire community and which anyone can join, consists of video-recording a short message of less than 2 minutes, asking our community to stay home, or providing specific information to a civic sector, such as students, elders, or merchants. HITN is part of their production team, working on the details of the message as well as the production and editing of the videos, in addition to the construction of the webpage.

The PRCC reminds us that we are not alone and that together, as a community, we will succeed. For more information or to join this campaign, contact [hp-response@prcc-chgo.org](mailto:hp-response@prcc-chgo.org).
