## **Facebook Live with Maria Alvarez, VP of Common Sense Latino "Managing Screen Time During Summer"**

The time kids and teenagers spend in front of their electronic devices is a constant concern for parents, especially now that the school year is over. Many families will remain at home this summer due to the pandemic.

Join us Thursday, July 9th at 7 PM EDT for a bilingual Facebook Live event with Maria Alvarez, Vice President of Common Sense Latino, who will share how to make positive use of screen time while interacting with or watching quality content.

Leave us your questions in English or Spanish in the comments and we will answer them during our Facebook Live!
